

Perfect Weddings

Winmarleigh
HOUSE

Your Day, Your Style

Your Perfect Wedding at Winmarleigh House

Your wedding day is one of the most memorable and special occasions in your life. We appreciate that the choice of venue is a big decision and that this celebration should be perfectly planned and exquisitely styled.

Here at Winmarleigh House our experienced team will work together with you to ensure that your Wedding Day is planned to perfection.

Winmarleigh House is licensed to hold your Wedding Ceremony or Civil Ceremony in either of our 2 suites and, conveniently, you can have your reception here as well with up to 140 guests to dine.

We do not restrict you to a 'package' so you are free to choose your own menu, numbers of guests, drinks – before, during and after the meal - and make your own arrangements for your evening entertainment.

One of our team will be delighted to show you round our facilities and discuss how we can help fulfil your plans for a perfect wedding day.

Your Wedding

Although we can offer you a fixed package, our flexibility allows us to offer a fixed rate per person no matter how many guests you intend to invite.

There is a price reduction for children and an alternative menu can be provided if necessary. Please contact us for our pricing details and also any special requirements you may have.

There are no additional room hire charges and no minimum number of guests.

Drinks can be made available to your guests on arrival, during the course of the meal and for the after dinner toasts. Additional drinks can be purchased from our private bar.

Mid week weddings may be available

Options

Winmarleigh House is yours for the day. You will not be sharing our facilities with any other parties.

Ideally situated for guests in a central Warrington location close to the Town Hall and 2 minutes walk from the Register Office.

Free parking at weekends in our own car park and after 5pm on weekdays.

2 large wedding rooms, one classic with chandeliers, including a dance floor with stage and sound system.

Your own band, DJ, photographer or room dresser are always welcome.

Disabled parking can be reserved at the front of the building and wheelchair access is through our entrance to the right of the front door.

Blue badge on-road parking is available on the street outside the building.

The Beaumont Room

Fully air-conditioned and catering for up to 140 guests when dining. It is lit by 4 crystal chandeliers although the wall lights can be used to produce a more intimate setting.

The room itself is classically decorated with long curtains, hidden radiators and ceiling fans to give an air of timeless elegance.

You can choose round, oblong or square tables to suit your particular requirements and the formality of the occasion. Our staff will always be happy to advise you of the best option.

A microphone system is available for those important speeches and the room is complemented by a dance floor and stage area for your evening entertainment.

Alternatively, our Hatton and Stretton rooms may be more suitable for smaller parties.

The Hatton & Stretton Rooms

Fully air-conditioned and together can cater for up to 130 guests when dining. They are tastefully decorated in a modern style with a polished wooden dance floor. They can be separated to provide an area for a smaller reception, if required.

Guests often prefer to hold the formal wedding ceremony in these rooms before moving to the Beamont room for the wedding breakfast and evening entertainment.

The Lounge Bar

The pleasant surroundings of the tastefully decorated Lounge Bar is the ideal place to relax and receive your guests, or to just get away for a few minutes from the hectic celebrations in the Beamont Room.

Our fully stocked bar offers an excellent selection of competitively priced beers, lagers, spirits and soft drinks as well as tea and coffee.

For that Special Occasion

Don't forget that as well as Weddings you can also celebrate family Anniversaries, Birthdays, and Christenings here at Winmarleigh House.

We also welcome Corporate and Charity events, Seminars, Trade Fairs and most other types of external meetings and lunches.
